Public Information Notice Temporary Storage Shelters

Please be advised that the Town of Oromocto's Zoning By-Law 422, Section 32. (2) requires "Temporary Storage Shelters" assembly be permitted from November 1 to April 30 annually.

"Temporary Storage Shelter" means a commercially manufactured collapsible assembly used for temporary storage.

The cooperation of all property owners, to obtain a permit for their Temporary Storage Shelter, will be appreciated.

If you have any questions, please contact the Planning and Compliance office at 357-4500.

COUNCIL HIGHLIGHTS JANUARY - FEBRUARY 2020

A lot of great work is planned for this year and we look forward to an exciting 2020!

Projects and Budgets

Staff kicked off the year with a number of major projects:

- New Visitor Information Centre – a tender for the building of the new visitor information centre has been issued and we expect to award a contract in March 2020.
- In January, Council approved a resolution to purchase replacement Self Contained Breathing Apparatus equipment for the firefighters at a cost of \$583,294.
- The Town has tendered for a service provider to occupy the small craft aquatic center.
- As part of the long-term fleet renewal, Council approved a resolution to purchase a new loader for use by the Engineering and Public Works Department in the amount of \$287,550.

Sculpture Saint John

Council submitted its preferred artist selection to Sculpture Saint John to create a second granite sculpture for the Town in 2020. It is expected the sculpture will be completed in the Fall.

Committee Appointments

Council would like to take this opportunity to thank Mr. Joseph Longphee and Mr. Leo Hynes who have each been reappointed to serve an additional term as members of the Planning Advisory Committee.

Oromocto and Area Food Bank Montreal Canadiens Alumni Game

Congratulations to Mr. Mel Vance, a volunteer with the Oromocto and Area Food Bank, for his fundraising efforts in organizing the Montreal Canadiens Alumni Game. Council was pleased to be a partner on this worthwhile activity, along with Base Gagetown. Well done by all those involved!

Oromocto is a leader in Organics (Compost) Management

Did you know that Oromocto is part of the innovative organic management program in partnership with the Fredericton Region Solid Waste Commission? This project is mostly invisible to our citizens, but we are excited to share this information. The landfill gas program converts our organic waste to green electricity through a series of extraction wells. What does that mean? This program removes the equivalent of about 15,000 cars from the road each year in terms of greenhouse gases and creates enough green and renewable energy to power 2000 homes! More information can be found at <https://frswc.ca/landfill-gas-plant/>
